## How to Convert an .srt to .en\_US.srt for Facebook

**Disclaimer :** Facebook will NOT let you upload a .srt file it must be a .en\_US.srt file.  
(For English)

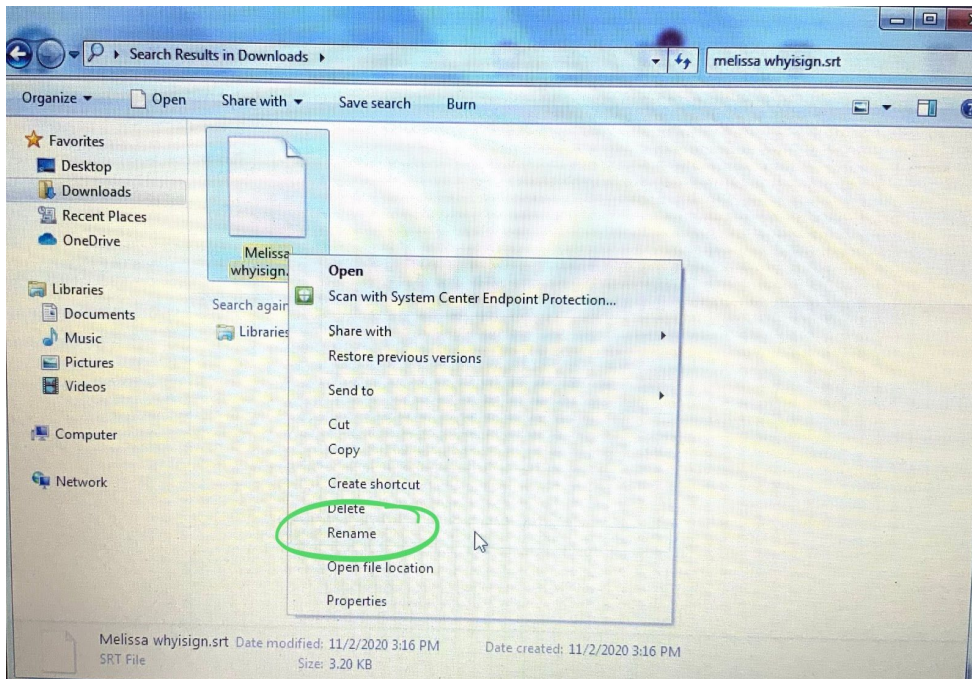

1. Open your **Documents/Files** page on your MAC or PC

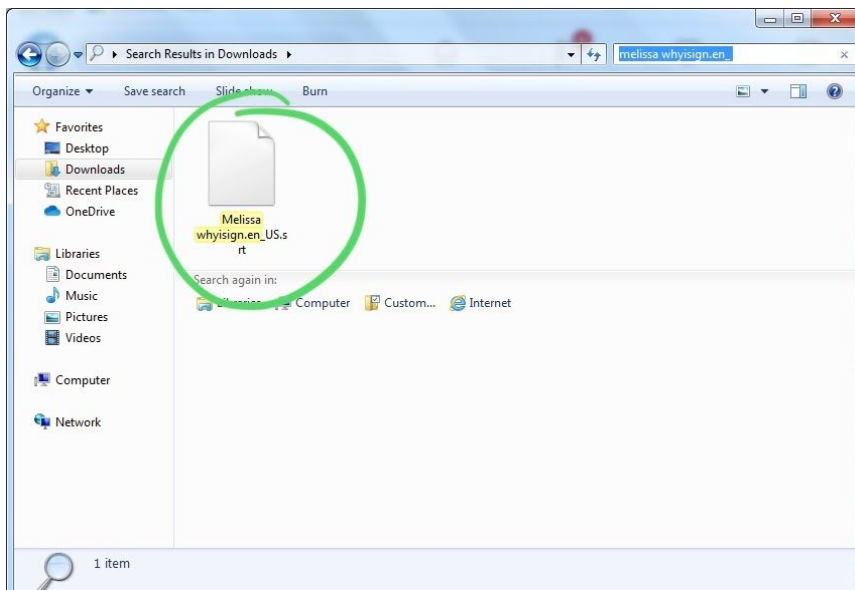

2. Locate the .srt caption file you are planning to upload to **Facebook**.

3. **Right Click** on your .srt File, then this menu will pop up.
  - o Click **Rename**

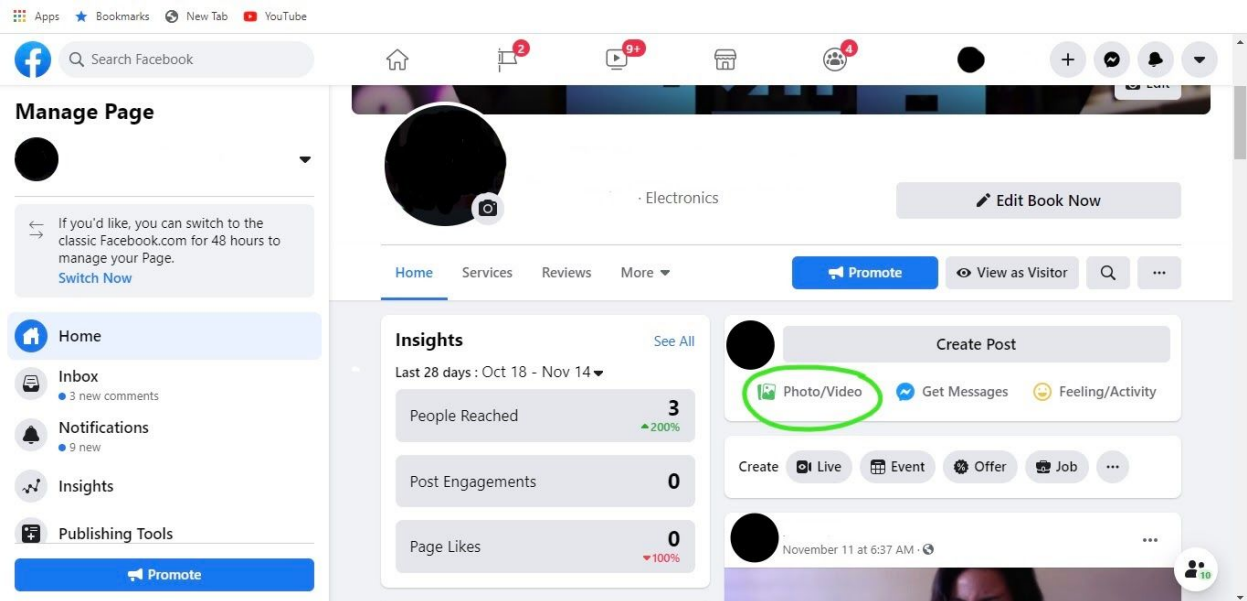

4. Rename the .srt portion to .en\_US.srt

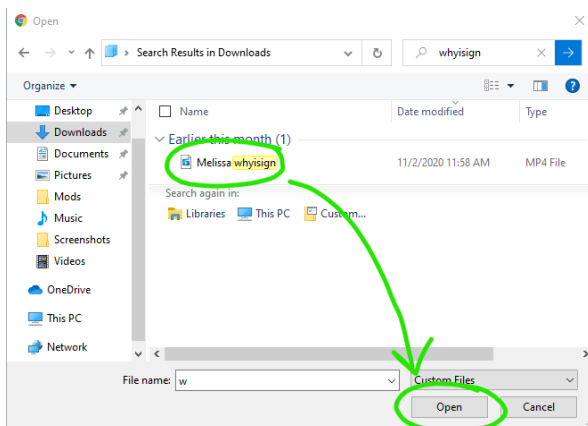

5. You are now ready to upload your .srt to **Facebook!**

## How to Upload a Video to Facebook with an .SRT file

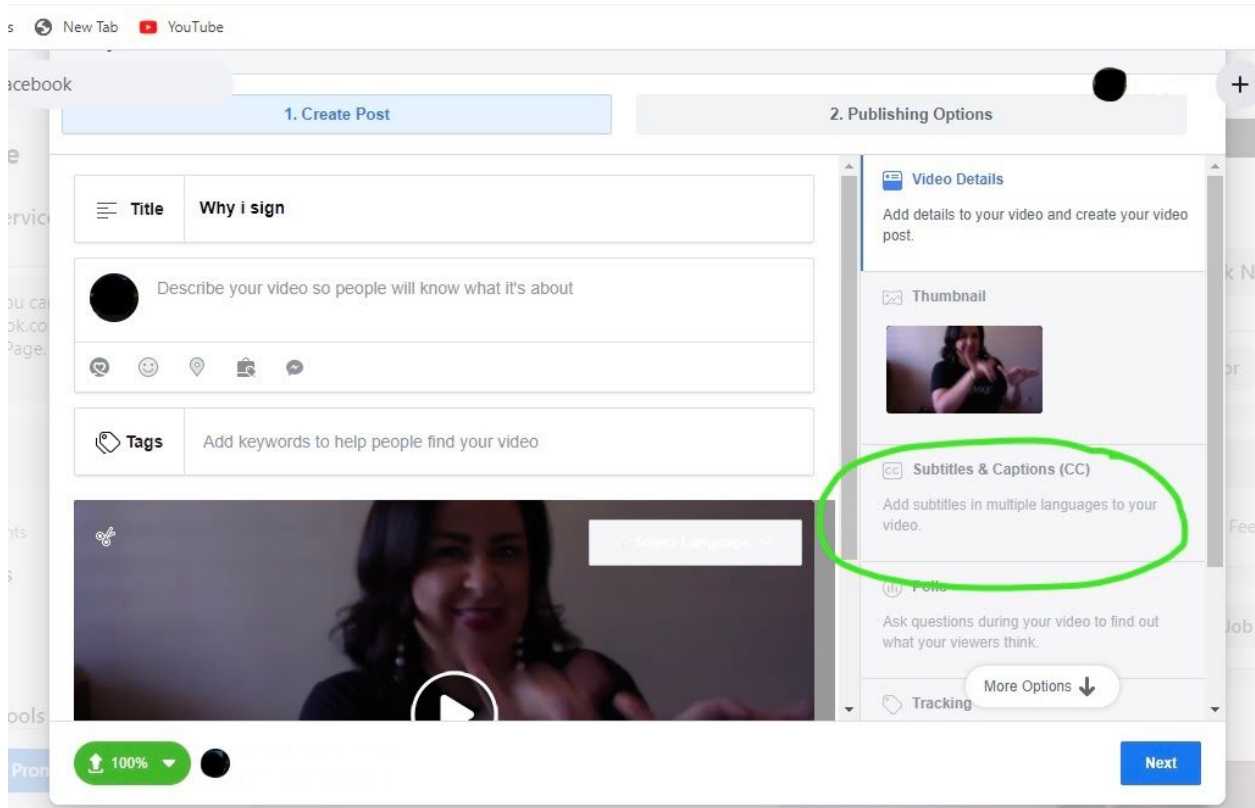

1. Open **Facebook** on a MAC or PC
  - o Link - <http://facebook.com>
2. On your home page, click **Photo/Video**

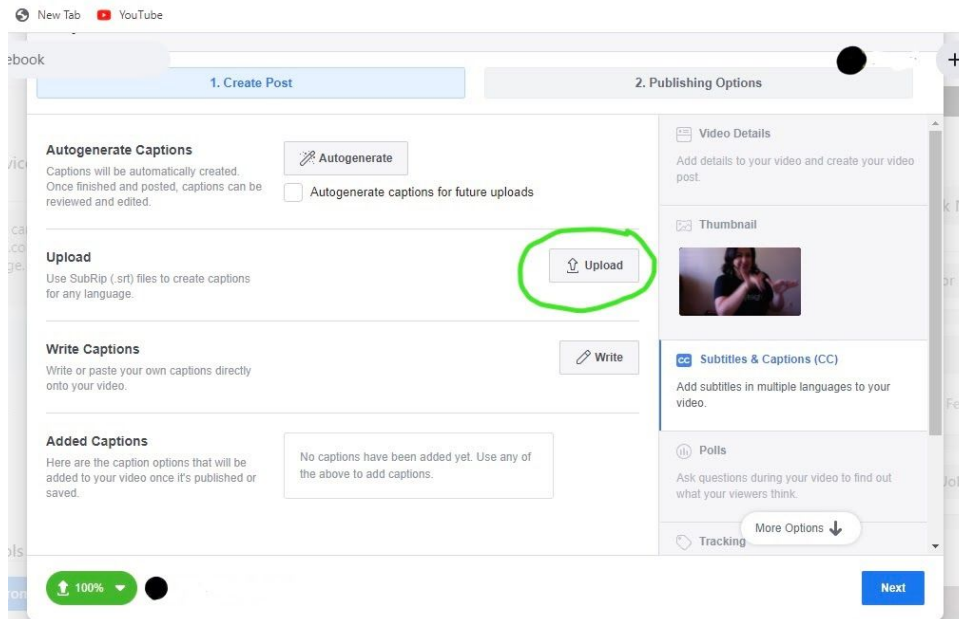

3. Choose the video you want to upload and click **Open**

4. While the video is uploading, locate **Subtitles & Captions (CC)**

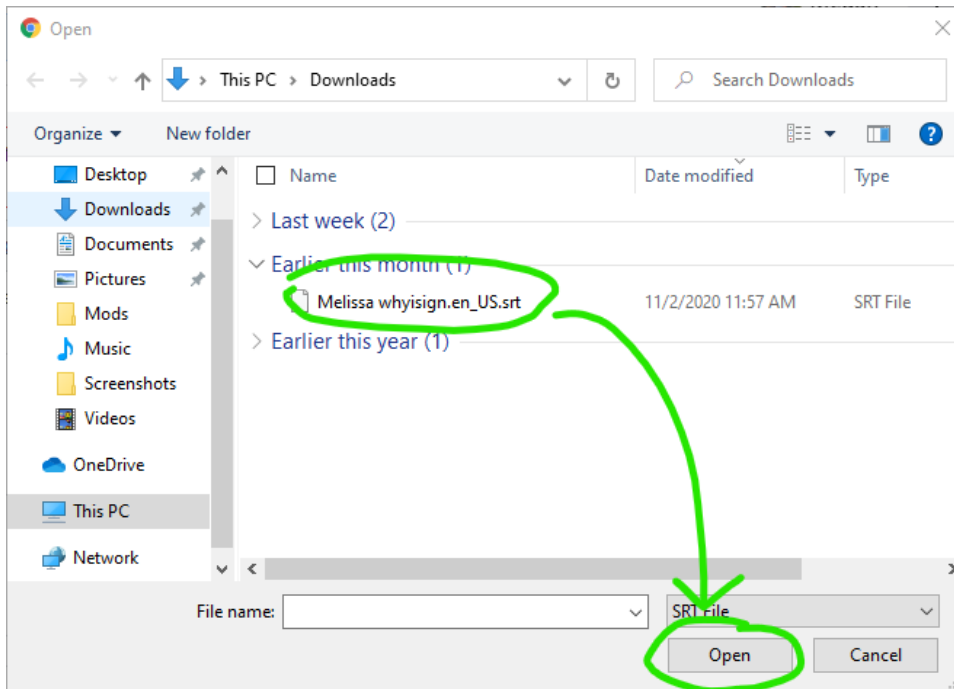

5. Once you click on **Subtitles & Captions (CC)**, you will see captioning options. Select **Upload**

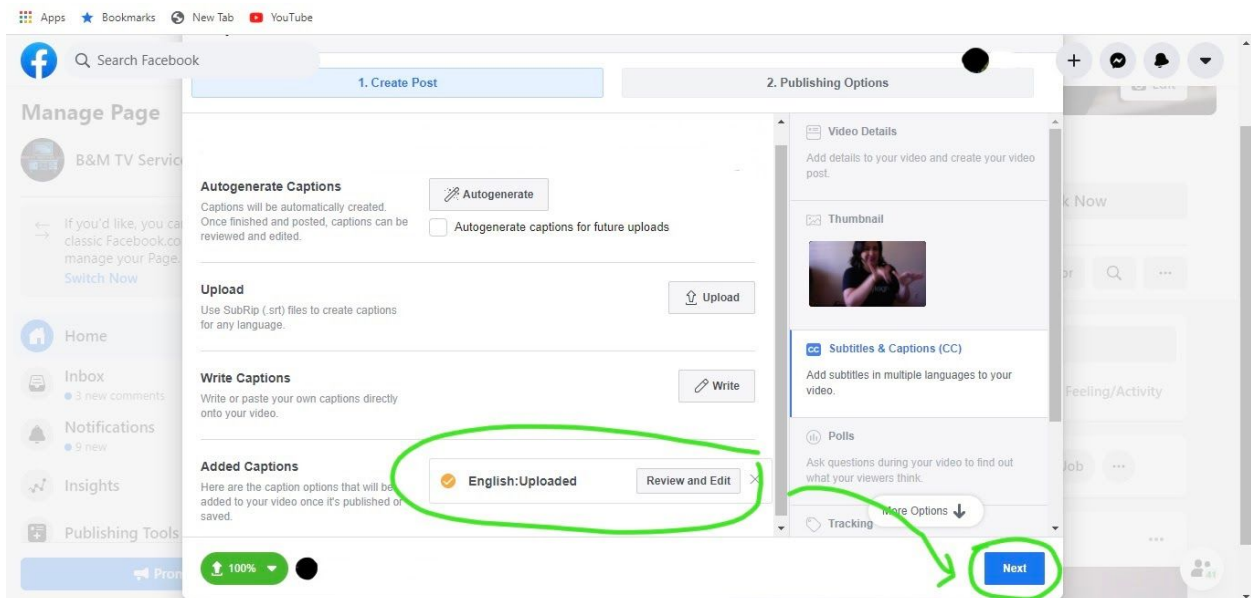

6. Once you click **Upload**, your files are going to show up.

- Find the .srt file that corresponds with the video being uploaded
- Click **Open**

7. Once your captions are uploaded, you will see the message **English: Uploaded**

- Click **Next**

- Once you have completed uploading your captions and your video is at 100%, click **Publish!**
